NAAEE COMMITS TO SUSTAINABLE CONFERENCE STANDARDS

The North American Association of Environmental Education is dedicated to applying sustainable conferencing standards to the Boston TEE Party. These standards will continue to uphold the professional format that NAAEE advances while constructing a decision-making format which integrates the principles of sustainability. Please join the NAAEE organizing committee and membership in supporting our sustainable conference efforts. Ways that you can participate include: taking public transportation, taking only materials that you will use after the conference, and reducing waste production.
