for the
NAAEE 34th Annual Conference
October 25-29, 2005

Join members of the Arizona Association for Environmental Education (AAEE) on our own chartered bus en route to Albuquerque to attend the North American Association for Environmental Education (NAAEE) Annual Conference. This year's exciting theme is:

“Sustainability and EE – Focus on the Future”

For more information on this premier meeting of environmental educators visit www.naaee.org.

AAEE wants as many of our Arizona colleagues as possible to take advantage of this incredible opportunity taking place in our own back yard. Chartering our own deluxe bus is not only our way to help make transportation costs to Albuquerque affordable *but* to also promote networking and good old fashioned fun for our members and friends of Arizona's environmental education community.
