46TH ANNUAL CONFERENCE

October 18-21

14TH ANNUAL RESEARCH SYMPOSIUM

October 17-18

Join NAAEE in Puerto Rico this fall for the largest, most diverse annual event that convenes global leaders and decision-makers to leverage the power of environmental education.

This year, we're celebrating the 40th anniversary of the world's first intergovernmental conference on environmental education—Tbilisi +40—by building on past successes to strengthen the future of environmental education and how it advances civic engagement, environmental literacy, STEM learning, and the health of our communities and our planet.

NAAEE offers comprehensive and flexible packages for sponsors seeking to reach more than 1,200 education and sustainability decision-makers as well as corporate and government leaders. The NAAEE Conference and Research Symposium is the perfect platform for sponsors to engage with one of the most passionate and engaged audiences for environmental education, whose influence reaches millions of people each year.

We are happy to adjust opportunities to accommodate your goals and needs. Please contact **Christiane Maertens** at christiane@naaee.org or **(310) 279-7370** to discuss your options.
